UNIFORM

Each player must wear their YMCA issued jersey.

Player on a Team

- Each YMCA basketball Team will consist of a maximum of 10 players. This ensures the YMCA's principle of 50 percent playing time is achievable.
- "Four on four" games are allowed if team(s) do not have five (5) players. Can even go with half court 3 vs 3 games, if both coaches and official(s) agree. Other alternatives are one team "loans" a player or two to the opposing team.

1. SCORING

- A running game clock will be used and will only stop for timeouts, injuries or illnesses.
- Score is kept on the scoreboard at 7/8 age divisions and up to promote a learning environment.
- In any age group – a team with a large lead during the game will not exceed a fifteen point advantage in score. Those managing the scoreboard will ensure the scoreboard does not display a point lead in excess of 15 points. In this case, scores may be kept using pencil/paper. The time clock will remain running when a team exceeds 15 points.
- 7/8 age division and up: The clock stops on all whistles in the last two (2) minutes of each half (2nd/4th Quarter). Unless one team is ahead by 15 points or more.

2. FREE THROWS

- Teams will shoot two free throws when in the bonus situation
- Players occupying a designated lane space can only enter the lane after the ball has been released.
- The shooter and the players outside of the 3 point arc may enter the lane after the ball touches the rim.

3. COMMON FOULS

- 9 -18 age division: After 5 total fouls committed by a player, that player is disqualified from the game.

4. TECHNICAL FOULS

- A technical foul will result in the opposing team receiving two (2) free throws and the ball out of bounds at half court. All technical fouls will count as a personal foul for the player committing the technical foul. Depending upon the severity of the technical foul, the game official may eject the player/coach from the game and/or facility.
- After the first technical foul assessed to the head coach, he/she will lose coaching box privileges (must remain seated on the bench when the game is played). If a coach receives two technical fouls, he/she will be disqualified from the game and must leave the court/gym. All game ejections, (players, coaches or parents) are subject to review by the YMCA Competition Director and/or Sports Director for a 1 game suspension following the game where the ejection occurred.

4. FLAGRANT/INTENTIONAL FOULS

- Flagrant/Intentional fouls will result in the opposing team receiving two (2) free throws and the ball out of bounds at half court. All flagrant/intentional fouls will count as a personal foul for the player committing the flagrant/intentional foul. Depending upon the severity of the flagrant/intentional foul, the official may eject the player from the game. Any flagrant/intentional foul resulting in an ejection are subject to review by the YMCA Competition Director and/or Sports Director for a one game suspension following the game where the ejection occurred.

5. TIME-OUTS

- 3-6 age divisions: Will not have timeouts. Instead, these divisions may receive a 30-second rest every 4-minutes and to allow for substitutions.
- 7-18 age divisions: Each team will receive two (2) 30-second timeouts per half. Unused timeouts from the first half may NOT be carried over to the second half. Injuries will be considered an official's timeout.

6. STEALING AND BLOCKING

- 3-8 age divisions: Players may not steal, except on a pass. Players may steal the ball during a pass.
- 3-8 age divisions: Players may not block a shot. Instead, the player's hands are allowed "up or out" (i.e. arms extended vertical or horizontal). If a defensive player leaves their feet to block a shot, it will be considered blocking. Officials will reset the ball out of bounds to the possessing team at the closest point to the blocking incident.

7. MAN-TO-MAN/GIRL -TO-GIRL DEFENSE

- Man to Man/Girl to Girl (Player to Player) defense is defined as being approximately two (2) arms length away from the offensive player that the defender is assigned to guard.
- 3-8 age divisions: Teams may only play Man to Man/Girl to Girl defense. Teams may not double team on defense nor "sag" into the lane to protect the basket. [However, defensive players may come off their offensive player for "help defense" when the offensive player is driving in the lane.] When teams do not follow these Man to Man/Girl to Girl rules, officials will reset the ball to the possessing team out of bounds at the closest point of interruption. Continued warnings/ball reset by the official, may result in a technical foul (discretion of official).

8. FIVE FOUL LIMIT PER QUARTER

- 9-18 age divisions: Teams will shoot two free throws when in the bonus, which will occur when the opposition commits five (5) fouls in the quarter. Team fouls will reset at the end of each quarter. (This rule replaces the 1-and-1 bonus and double bonus situation). Technical, flagrant and intentional fouls all count toward a team's foul count each quarter and a player's (or coach) total fouls in the game.

9. OVERTIME

- In the event of a tie, overtime will NOT take place. Game ends in a tie.

PLAYING TIME

The following player rotation must be followed for all players present at the start of the game (defined as being present for the Player's Pledge). This rotation will be **strictly enforced**. Any player who does not arrive by the start of the game is not guaranteed to play in the first half of the game.

- If a player arrives at their game on time and is not designated as being ill or injured and does not play their minimum of two (2) full periods, the site director must report the coach's actions to the Competition Director for review. Subsequent reports may result in disciplinary action for the coach.
- If a player arrives prior to the end of the 2nd period, they will be guaranteed to play one (1) period in the second half of the game.
- An injured or disqualified player may dress out and sit on the bench with teammates but be declared unable to play. Coaches shall inform officials and opposing coaches before the game.

DEFENSE

- 3-10 age divisions: May not full court press/play backcourt defense on the opposing team. The offensive team must be allowed to advance the ball into the frontcourt. The defensive players must allow the offensive player to establish position and dribble past the half court line before initiating defense. Defense must retreat to a designated line on the court as established by the game officials (i.e. 6ft from mid court line or the volleyball attack line on the court).

- 9-17 age division: The 3-second rule (standing in the lane for more than 3 seconds) will be enforced.
- 3-8 age division: Offensive plays that are intentionally designed to isolate players into one-on-one situations are not allowed. Intent of this rule is to foster an environment of team play.

REFEREES

- The referee shall be the sole judge of game play on the court. Their decisions are final.
- The referee can ask coaches, parents, players, and spectators to leave the facilities to maintain a pleasant atmosphere and control of the game.
- If a coach, player, or spectator, is ejected from a game, that person(s)/situation will be subject to review by the Competition Director and/or Sports Director for a potential one (1) game suspension. Should another incident occur within the same season and the same person(s), that coach, spectator, or player may be ejected from the league permanently.
- The referee may stop, suspend, or terminate the game because of the elements of interference.
- There will be no disrespectful words or actions toward a referee during the game.

SUBSTITUTIONS/50 PERCENT PLAY

The goal of the YMCA is to provide all children with equal playing time. All players must play a minimum of 50 percent of the game. If a player ends up becoming ill or injured during a game, he or she can be substituted out. Depending upon the roster size of some teams, players may play more than 50 percent, but no player may play less than 50 percent.

- 3-6 age division: Substitutions may only be made at the 4-minute mark or if there is an injury or a player is fatigued.
- 7-18 age divisions: Open substitutions are allowed throughout the game.
- All substitutions must be made at dead balls with the referee's acknowledgment. Players enter the game by checking in at the score table and may come on the court only after the referee signals.
- Failure to comply with the substitution/50 percent rules will result in review of the rules by the YMCA staff and the coach. Continued infractions will result in a one game suspension for the coach.
- **Exceptions:**
 - A player fouls out of a game
 - A player is injured or becomes ill
 - Injured and ill players may re-enter the game during a quarter and should be encouraged to do so, **if able**. The **sub player must** be removed if the injured player returns.

NOTE: If a substitution is made for an allowed exception, the player that started the period is credited with the entire period of playing time. The sub is not credited with any playing time for the period.
